

Certificate of Authorization

This is to certify that
GSN Maquinaria Servicio CNC S. A. de C. V.
Blvd. Peñaflor, No. 1102
Business Park Novatec,
Colonel Ciudad del Sol.
Querétaro, Qro. C.P. 76116
Mexico

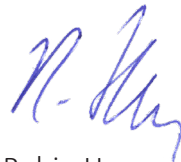

is an officially authorized service partner of
Innomotics GmbH – Business Unit Spindle Technology (Weiss).

GSN Maquinaria Servicio CNC S. A. de C. V. is hereby granted authorization to promote and sell our products within the Mexican market. This authorization includes the performance of repairs and services such as preventive maintenance, technical support, and troubleshooting. The partner is furthermore entitled to purchase new spindles and original spare parts from Weiss for the purpose of providing these services.

This certificate is issued as formal confirmation of the above-mentioned authorization and is valid until December 31, 2028.
