

Certificate of Authorization

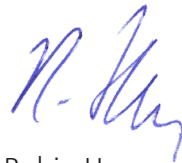

This is to certify that
R H Multisystems LLP
Whitefield Road,
Mahadevapura Post,
Bangalore, Karnataka,
Indien 560 048

is an officially authorized service partner of
Innomotics GmbH – Business Unit Spindle Technology (Weiss).

R H Multisystems LLP is hereby granted authorization to promote and sell our products within the Indian market. This authorization includes the performance of repairs and services such as preventive maintenance, technical support, and troubleshooting. The partner is furthermore entitled to purchase new spindles and original spare parts from Weiss for the purpose of providing these services. This certificate is issued as formal confirmation of the above-mentioned authorization and is valid until December 31, 2028.
